

ColumnName	Example	DataType	Product	Brief Description
RaceID	707684	numeric	RaceCard	Unique identifier for race as per Press Association RaceID
RaceMeet	Newbury	character	RaceCard	Which of the UK/IRE race tracks the race is being run at
RaceDate	2018-08-17	date	RaceCard	Date in YYYY-MM-DD format (this format is useful for ranking/ordering)
RaceTime	2:55	time	RaceCard	Time in H:MM format (almost all UK/IRE races are PM). Sometimes seen as 02:55
RaceLength	1m5f	character	RaceCard	To the nearest furlong the length of the race. (8 furlongs in a mile.)
RaceClass	Class 3	character	RaceCard	Class of the race (UK only)
RaceGround	Good	character	RaceCard	The ground (as advertised the night before) of the course on which the race is to be run
RacePrize	7,763	character	RaceCard	Prize in either GBP or EUR of the race for the winner (it may help to remove the comma and there are options to convert from EUR to GBP for Irish races to have a common currency)
RaceRunners	8	numeric	RaceCard	Number of horses expecting to be declared
Number	6	numeric	RaceCard	Horse Number, the number the horse will run with to be identified
Horse	SKY EAGLE	character	RaceCard	Horse Name (as registered)
Jockey	Gerald Mosse	character	RaceCard	Jockey name
Trainer	Ed Walker	character	RaceCard	Trainer name
Weight	9-4	character	RaceCard	Weight expressed as Stones-Pounds that the horse is expected to carry in normal circumstances (includes penalties for good recent form)
Claiming		numeric	RaceCard	An allowance in Lbs assigned to apprentice jockeys (based on own personal race form)
WeightLbs	130	numeric	RaceCard	After taking into account the Weight and the Claiming Allowance, the weight in lbs that the horse will carry
Age	4	numeric	RaceCard	Age of horse in years
Sex	C	character	RaceCard	Sex of horse: F - filly, C - colt, M - mare, G - gelding, H - horse, R - rig (quite uncommon!)
Stall	7	numeric	RaceCard	For flat races, which Stall the horse has been assigned to.
Form	21-132	character	RaceCard	Typically looking back 6 races, short form scribe of the horses form (position in last few races)
Provisional_SP	3/1	character	RaceCard	At the time of race card generation, what was the fractional odds an online bookmaker was offering for the horse in the Win market.
PriceD	4	numeric	RaceCard	PriceD converts Provisional_SP column from fractional to decimal
TS	84	numeric	RaceCard	TS: Top Speed Rating
OR	80	numeric	RaceCard	OR: Official Rating
RPR	98	numeric	RaceCard	RPR: Racing Post Rating
C		character	RaceCard	Won at this course (C for Yes)
D		character	RaceCard	Won at this distance (D for Yes)
CD		character	RaceCard	Won at this distance at this course (CD for Yes)
BF	BF	character	RaceCard	Was a beaten favourite in the last race (BF for Yes)
DSLRL	70	numeric	RaceCard	Days Since Last Race (does not go down to the level of splitting out Flat and Jump racing for those horses that are known to try their hand at both). This is really the last time out.
DSLRL_Calc	70	numeric	RaceCard	DSLRL_Calc: As DSLRL but manually calculated from our Database. Differences are usually down to overseas runs. Our database does contain some overseas race results.
MilesTravelled	15	numeric	RaceCard	MilesTravelled of horse in miles (Trainers yard to racetrack - assumes horse did not travel prior)
Equipment		character	RaceCard	Short hand text detailing if the horse is running with equipment or otherwise (blank)
AvePrizeContested	7019	numeric	RaceCard	Using the Last 6 races worth of information, what is the average of the race prizes this horse has contested.
MaxPrizeContested	12031	numeric	RaceCard	Within those Last 6 races, what was the largest race prize this horse contested for
LastPrizeContested	9451	numeric	RaceCard	The last time out, what was the prize of the race
LastPCMinusThisPC	-1688	numeric	RaceCard	To give a flavour of the drop down/step up in Prize contested (loose proxy for competition) going into this race

ColumnName	Example	DataType	Product	Brief Description
AVEPositionalScore_L6	3	numeric	RaceCard	RaceCardGuru operate a PositionalScoringMatrix to help give a single value to the recent form. See our matrix on our HOW IT WORKS page. This is the average positional score of the Last 6 races (or up to last 6 if the horse hasn't run that many yet)
SUMPositionalScore_L6	18	numeric	RaceCard	As well as taking an average we can also SUM. Arguably a fairer representation (particularly if horses have contested < 6 races in their lifetime). NB. Our positional scoring matrix has positive numbers as well as negatives.
J_WinRatio	0.05	numeric	RaceCard	Jockey Win Ratio: either looking at the Last14 days or the L6 runs (whatever was needed to get a minimum of 6 runs to calculate) this figure is the WIN strike rate of the JOCKEY
T_WinRatio	0.18	numeric	RaceCard	Trainer Win Ratio: either looking at the Last14 days or the L6 runs (whatever was needed to get a minimum of 6 runs to calculate) this figure is the WIN strike rate of the TRAINER
JT_WinRatio	0	numeric	RaceCard	JockeyTrainer Win Ratio: either looking at the Last14 days or the L6 runs (whatever was needed to get a minimum of 6 runs to calculate) this figure is the WIN strike rate of the JOCKEY when its on the TRAINERS horse
J_PlaceRatio	0.32	numeric	RaceCard	As J_WinRatio but with Place positions (Win given same weight as a 2nd place finish for instance)
T_PlaceRatio	0.45	numeric	RaceCard	As T_WinRatio but with Place positions
JT_PlaceRatio	0.67	numeric	RaceCard	As JT_WinRatio but with Place positions
J_RatiosMethod	14D	character	RaceCard	For transparency alerting any user of the racecard which method was used to calculate. Either we used the Last14 days (L14) - since we were able to include 6 or more races in this, or we go back further than 14 days until we find exactly 6 races (L6)
T_RatiosMethod	14D	character	RaceCard	As above but for trainer based strike rates, ratios
JT_RatiosMethod	L6	character	RaceCard	As above but for jockey/trainer combo based strike rates, ratios
H_14D		numeric	RaceCard	Number of times out by the Horse in the last 14 days
H_30D		numeric	RaceCard	Number of times out by the Horse in the last 30 days
H_365D	6	numeric	RaceCard	Number of times out by the Horse in the last year
H_S2010	8	numeric	RaceCard	Number of times out by the Horse since 2010
J_14D	22	numeric	RaceCard	Number of races the jockey has ridden in the last 14 days
J_30D	52	numeric	RaceCard	Number of races the jockey has ridden in the last 30 days
J_365D	360	numeric	RaceCard	Number of races the jockey has ridden in the last year
J_S2010	2269	numeric	RaceCard	Number of races the jockey has ridden since 2010
T_14D	22	numeric	RaceCard	Number of races the trainer has had horses in for the last 14 days
T_30D	49	numeric	RaceCard	Number of races the trainer has had horses in for the last 30 days
T_365D	465	numeric	RaceCard	Number of races the trainer has had horses in for the last year
T_S2010	1836	numeric	RaceCard	Number of races the trainer has had horses in since 2010
JT_14D	1	numeric	RaceCard	Number of races the trainer has had this jockey on his/her horses in the last 14 days
JT_30D	9	numeric	RaceCard	Number of races the trainer has had this jockey on his/her horses in the last 30 days
JT_365D	29	numeric	RaceCard	Number of races the trainer has had this jockey on his/her horses in the last year
JT_S2010	29	numeric	RaceCard	Number of races the trainer has had this jockey on his/her horses since 2010
DSLRT	23	numeric	RaceCard	Typical DSLR: The standard gap between races for this horse. Will give you an idea if there has been longer than usual lay off for instance.
P_6	4	character	RaceCard	Position in Race n-6 (6 races ago)
P_5	2	character	RaceCard	Position in Race n-5 (5 races ago)
P_4	1	character	RaceCard	Position in Race n-4 (4 races ago)
P_3	1	character	RaceCard	Position in Race n-3 (3 races ago)
P_2	3	character	RaceCard	Position in Race n-2 (2 races ago)
P_1	2	character	RaceCard	Position in Race n-1 (1 race ago)
R_6	5	numeric	RaceCard	Runners in Race n-6
R_5	14	numeric	RaceCard	Runners in Race n-5
R_4	11	numeric	RaceCard	Runners in Race n-4

ColumnName	Example	DataType	Product	Brief Description
R_3	9	numeric	RaceCard	Runners in Race n-3
R_2	17	numeric	RaceCard	Runners in Race n-2
R_1	9	numeric	RaceCard	Runners in Race n-1
PR_6	4/5	character	RaceCard	Position/Runners in Race n-6
PR_5	2/14	character	RaceCard	Position/Runners in Race n-5
PR_4	1/11	character	RaceCard	Position/Runners in Race n-4
PR_3	1/9	character	RaceCard	Position/Runners in Race n-3
PR_2	3/17	character	RaceCard	Position/Runners in Race n-2
PR_1	2/9	character	RaceCard	Position/Runners in Race n-1
PS_6	0	numeric	RaceCard	Positional Score in Race n-6 (PositionalScore is RaceCardGuru's attempt to give a single value for recent form)
PS_5	3	numeric	RaceCard	Positional Score in Race n-5 (PositionalScore is RaceCardGuru's attempt to give a single value for recent form)
PS_4	5	numeric	RaceCard	Positional Score in Race n-4 (PositionalScore is RaceCardGuru's attempt to give a single value for recent form)
PS_3	5	numeric	RaceCard	Positional Score in Race n-3 (PositionalScore is RaceCardGuru's attempt to give a single value for recent form)
PS_2	2	numeric	RaceCard	Positional Score in Race n-2 (PositionalScore is RaceCardGuru's attempt to give a single value for recent form)
PS_1	3	numeric	RaceCard	Positional Score in Race n-1 (PositionalScore is RaceCardGuru's attempt to give a single value for recent form)
Length_6	11	numeric	RaceCard	Race Length (in furlongs) of Race n-6
Length_5	11	numeric	RaceCard	Race Length (in furlongs) of Race n-5
Length_4	11	numeric	RaceCard	Race Length (in furlongs) of Race n-4
Length_3	12	numeric	RaceCard	Race Length (in furlongs) of Race n-3
Length_2	11	numeric	RaceCard	Race Length (in furlongs) of Race n-2
Length_1	14	numeric	RaceCard	Race Length (in furlongs) of Race n-1
Class_6	3	numeric	RaceCard	Race Class (for UK Race Meets) of Race n-6
Class_5	6	numeric	RaceCard	Race Class (for UK Race Meets) of Race n-5
Class_4	6	numeric	RaceCard	Race Class (for UK Race Meets) of Race n-4
Class_3	4	numeric	RaceCard	Race Class (for UK Race Meets) of Race n-3
Class_2	4	numeric	RaceCard	Race Class (for UK Race Meets) of Race n-2
Class_1	3	numeric	RaceCard	Race Class (for UK Race Meets) of Race n-1
Form_Alt	421-132	character	RaceCard	Form as captured from an alternative source, should be compared with Form and will mostly marry up
Form_Calc	421132	character	RaceCard	This is the form as calculated based on the results in our database.
Tips	2 tips	character	RaceCard	Tipsters backing strength
SilkiMG	219783.png	character	RaceCard	This is used in the pdf version of our racecards
Comments	Back from 1m6f but it's hard to rule out further progress on this return from 70 days off	character	RaceCard	Quick descriptive take on horses chances of winning
UniqueRaceID	RC_20180817_255_Newbury	character	RaceCard	Unique identifier for race as set by RaceCardGuru.Com
RaceName	Big Group Insight Handicap	character	RaceCard	The name of the race
PrintDate	16 August 2018 @ 21:50hrs	character	RaceCard	A timestamp and useful reference detailing when we produced our racecard
RaceDate_DMY	17/08/2018	date	RaceCard	A different format (UK version dd/mm/yyyy) for the Date of the Race
